DAY SCHOLARS - ADMISSION POLICY

1. **Preamble:** Daanish Schools started its operation in 2010 as a free residential institute, offering free quality education to the deserving categories, who have talent, but, no resources to study ahead. Daanish Schools provide the best possible learning opportunity to the resource constrained children of the country. The framework of our policy stands on a pillar which supports the building of their intellectual capacity and personality traits while preparing their minds and bodies at the same time. To ease the exchequer of the Government, it has been envisaged to financially support the projects by having Day Scholars at comparable fee structures. These students will be in addition to the self-financed students and would provide an opportunity for outreach and facilitate the local residents.

2. **Aims:** To build Daanish School environment, and extend its quality education to encompass day scholars, by facilitating the smooth induction of day scholars admitted, on nominal payment basis in Class 6, 7 and 8 only. Since this was not the precedent previously, it requires a policy to streamline and effectively implement the induction. This would also aim to somewhat make the schools self-financing.

3. **Scope:** Applicable in all Daanish Schools and for elaboration of the details involved in the induction phase of Day Scholars from Class VI to Class VIII.

4. **Execution:** All Daanish Schools will start induction of maximum number of Day Scholars from Class VI – Class VIII only according to the prescribed seats by the Authority.

   d. Once the momentum of the programme picks up, the entry limit can be increased on a yearly basis.

   e. Each school will devise a collective entry test paper incorporating all subjects and giving due weightage according to the Induction test paper. The papers will be forwarded to the Academics branch no later than end of January of each year.

   f. Entry tests will be conducted in Mid-March on the day announced each year.
