Subject: **Admission of Students Belonging to Deprived Economic Background in Daanish Schools. (Established by the Government of Punjab)**

1. A number of initiatives have been taken by the Government of Punjab for poverty reduction. Among these is the vision of poverty alleviation through provision of quality education.
2. With this objective, Daanish Schools and Centers of Excellence Authority Act was passed by the Provincial Assembly in 2010, paving way for the establishment of Daanish Schools and Centers of Excellence. The focus of Daanish enterprise is on the poorest sections of the society to spur upward social mobility and address poverty alleviation and ensure that talent, whatever its background, does not go unrewarded. Daanish Schools are residential schools providing free quality education, boarding, messing, clothing, sports and co-curricular facilities to the students from underprivileged families whose collective income is less than Rs. 15,000/- per month. The ultimate aim is to give a platform to these talented children to realize their potential and become a useful member of society in future. Daanish Schools have successfully entered the ninth year of their existence. These schools (eight each for Boys & Girls) are located at Chishtian, Hasilpur, Rahim Yar Khan, D.G Khan, Fazilpur (Rajanpur), Mailsi, Harnoli (Mianwali), and Jand (Attock).
3. Besides offering this comprehensive facilitation to the marginalized children of Punjab, Daanish Schools have reserved a substantial quota for the children of other provinces Sindh, Baluchistan, KPK with FATA, Gilgit Baltistan and AJK (To date, 462 students from other regions are studying in our schools, Boys 316 and Girls 146). As in the past, we would be deeply obliged if you would pass instructions to your Education Department to conduct Admission Test for the children of your region
