In Punjab Daanish Schools and Centres of Excellence Authority it assumes added importance owing to the fact that the strata from where the students are inducted are not at all familiar to the world of a disciplined life. Moreover, in order to ensure their contemporary grooming in all facets of education and training discipline has not only been made part of the curriculum but also induced through a mix of stick and carrot approach.

2. **Purpose.** To conform to the rules and regulations of PDS&CEA in all facets of education and training so as to ensure efficient management of schools by inculcating importance of timings, regularity, punctuality and discipline in parents, students and staff.
