Punjab Daanish Schools and
Centers of Excellence Authority
Government of the Punjab

No. M(Admin/HR&Coord)/06/18/2597 29.. June 2018

To Principals, Daanish School (Boys & Girls),
Chishtian, Hasilpur, Rahim Yar Khan, Jand,
Harnoli, D. G. Khan, Fazilpur and Vehari.

Subject: Leave Policy — Boarders

1. **General**. The boarding houses are abodes for the young boys and girls who during their stay at the school pursue their personal, social and intellectual growth while being away from their homes. Living and sharing day-to-day life, the boarders develop close acquaintance with the school staff and students in a different surrounding. While Daanish Schools encourage the spirit that keeps the boarders closely bonded at school, we believe in keeping their ties with their families alive by permitting the boarders to visit their homes under a well-regulated system. This system, defined by the Leave Policy, delineates the procedures and responsibilities involved in the processing of leave efficaciously. These will, therefore, be implemented in letter and spirit.

2. **Aim**
   a. To define individual tasks and leave processing routes in different situations.
   b. To simplify and ensure economy in time and effort for the schools and Head Office.

3. **General Guidelines**
   a. Basic Conditions

d. The HM will keep close contact with parents/guardians to monitor the student's condition during the leave.

14. **Staggered Leave/ Holidays-Summer/ Short Breaks.** Daanish Schools have a fairly large number of students in campuses which are generally adjacent to each other. The leaving of this large student population on summer vacation on a single day could create difficulties. The boy and girl school Principals will coordinate with each other to send the girls one day before the boys. The boys, having been sent a day later, will be allowed one extra leave to return. However, the final decision is left to the mutual agreement between the Principals.

15. **Food Items.** The parents may hand over some food items to their wards. However, the school management will ensure that these are not unhygienic and are not likely to create medical or cleanliness issues in the campus/hostels. No medicines of any category (allopathy, homoeopathy, herbal, etc) are allowed. The students should also be taught to keep their lockers clean and their surroundings tidy.

16. **Gate Security**

a. The school administration will ensure that the Gate Security personnel are fully trained in the important task of scrutiny of the visitors. Also, that they are themselves fully trustworthy and security-cleared. They should be trained to carry out proper documentation and maintain proper records. They should also be advised to be amiable yet cautious about minutest details.

b. The school security would be especially cautious about not allowing the mobiles to slip through to students. Also, it must be remembered that the school menial staff (waiters, sweepers, cooks, etc) are generally suspect in bringing in the contraband items. They should be therefore, strictly checked before entering.

c. The HM/AHMs will also, as a routine, have the students empty the contents of their bags before letting them enter the houses. Strict restrictions (followed by stringent disciplinary action on discovery) be imposed on bringing in fire-arms, explosives/fire crackers, knives or any other lethal weapon/instrument, cell phones, cigarettes or any sort of drugs (including naswar, gutka, even pan masala etc).

d. Any school personnel, especially Gate security, is forbidden from receiving any gifts from the visitors.

17. **Special Leave Measures — Summer/Short Exeats**. During long, short exeats or PTMs, a large number of parents/guardians visit to collect their child. Following special measures will be taken by teams constituted to handle this complex issue:-
